| Assessor Comments             | A single deck line of predominately Angus type heifers, (sibling brothers available same sale). Heifers are on the do, despite very dry conditions. They are considered suitable to background to domestic or export feeder specs ,or alternatively fatten on Grass/Grain to quality slaughter carcasses. The line is predominately black, with 3 reds ,1 red baldy. |            |                                           |              |                                     |             |
