Assessor Comments	An opportunity to purchase a high-quality line of young Angus-cross steers, backed by reputation and quality genetics. These steers are sired by top-quality Eaglehawk Angus sires and display fantastic length, depth, frame and softness, making them ideal future heavy feeder prospects to meet a number of domestic markets. The steers in this lot are drafted in weight from 240kg–299kg and will be sold in 2 lots of 122 head (3 decks) as a run out the gate. The steers in this lot were very good to handle throughout the assessing and drafting process, with minimal fuss. With further education by the vendor, they will be an easy, no-fuss line of cattle to handle. These steers were weaned on 31st August and will be fed quality hay, as well as being handled and educated until delivery. With the additional yard time, all steers in this lot will offer plenty of compensatory weight gain to the successful purchaser. A fantastic opportunity to purchase steers that are noted performers and will go on and perform for you on grass, crop or grain. Please note: the vendor has multiple other lines of steers in the same sale.
