Assessor Comments	Buyers a rare opportunity presents itself to secure a run of store condition ,Vendor bred heifers that tick all the boxes EU, USDA,NOP ORGANIC , GAP certified and Teys Grassland accredited .These heifers are out of medium to large framed crossbred cows by predominantly Fairview Simmental and Heartland Santa bulls. Heifers present in store condition after a very dry year and show plenty of frame with no weight, representing great compensatory aims for the purchaser. Ideally suited to take through to the Lucrative Organic feeder or slaughter market , alternatively could be freshened up and joined as replacement breeders. Please note 2 have slight blight scarring in one eye not considered detrimental.
