Steers worked very well through crush & yards.

Assessor Comments: Buyers, this is a great line of well bred British cross steers that show great muscle expression averaging 331kg. Steers are soft smooth easy doing types with nice spring of rib. Steers stand on good bone with plenty of volume to keep filling out. Steers are out of medium to large frame xbred cows by soft Moongool & Carbar sires. Steers worked well through yards. These steers are normally backgrounded out to heavy feeders, very regrettable sale. 1 steer has old blight scaring but not detrimental. 1 steer has old rub mark on neck.
