Assessor Comments

A very good line of Angus cross Angus heifers. 1 brand. Roseleigh Stud, SA bloodlines. Heifers were purchased direct from the breeder (Dilbong Pastoral Company) as light weaners in April. Since purchase, vendor has had no bulls on property and has not noticed any bulls in with heifers. Top quality angus heifers showing very good bone and confirmation. Heifers did tend to run around a bit under pressure in the yards but nothing aggressive. These heifers are suitable to background for any feedlot or would make a very good line of future breeders. All the hard work has been done with these heifers and will continue to go ahead quickly on good feed. Very well bred heifers out of a very good Angus herd of cows by very good quality Angus bulls. Tail was taken out of heifers at purchase.
