Assessor Comments	A nice line of 38 vendor bred heifers sired by the Ascot and Palgrove Charolais bulls that present in forward store condition and display good frame and bone. Heifers are running on dry native and improved pastures with access to Riverina feedlot meal for the last 6 weeks and show good weight gains. Heifers that will continue to perform well on good feed and would make future breeders or suited to grow out to heavier markets. Please note vendor has a lot of 43 steers in the same sale.
