Assessor Comments	A nice line of 43 vendor bred steers sired by the Ascot and Palgrove Charolais bulls that present in forward store condition and display good frame and bone. Steers are running on dry native and improved pastures with access to Riverina feedlot meal for the last 6 weeks and show good weight gains. Steers that will continue to perform well on good feed and be ideal to take through to feeder markets or grow out to heavy bullocks. Please note vendor has a lot of 38 heifers in the same sale.
