Assessor Comments Well bred, weaned speckle park / angus cross steers sired by Battalion and Oakey Creek bulls. Cattle from this herd often purchased by repeat clients as Ringwood Pastoral have a solid reputation for their great temperament and do-ability with an upward plain of nutrition. Individually numbered & recorded. October / November 25 drop steers, yard weaned in March and recently had access to the tail end of an oat crop. Current ADG .94kg/day, these steers are on the do. One black steer with white on his pizzle, 2 steers with a white dot in 1 eye but not deemed detrimental. Hard to go past buying cattle out of this district this time of year.
