Assessor Comments	Well bred, weaned speckle park / angus cross heifers sired by Battalion and Oakey Creek bulls. Cattle from this herd often purchased by repeat clients as Ringwood Pastoral have a solid reputation for their great temperament and do-ability with an upward plain of nutrition. Individually numbered & recorded. October / November 25 drop heifers, yard weaned in March and recently had access to the tail end of an oat crop. Current ADG .92kg/day, these heifers are on the do. Hard to go past buying cattle out of this district this time of year.
