Handled With	Steers are a well handled a flow through the yards with ease. Drafted well in the round yard, and extremely quiet in larger open yards. Bikes , On foot		
Assessor Comments	A high quality line of vendor bred Ultrablack steers out of an outstanding operation. Steers are out of Booroomooka blood cows, by Palgrove Brangus Bulls. Steers were yard weaned and bunk trained as they were fed a ration for approximately 10 weeks. Steers are ooze softness with loose skin, big bone and plenty of frame. They were a pleasure to handle and will impress with quality.
