	Steers handled well through the yards. 1 Steer stirry in the draft and did not settle well back with the mob. 2 Steers slightly quick through the crush and race though very quick to settle once back with mob.
Handled With	Bikes , Vehicles
Assessor Comments	A quiet line of Angus and Angus x steers. 1 Steer was purchased as weaner and the balance of these steers were vendor bred out of Angus & Angus x Cows purchased from the Oldbury dispersal sale. Steers are showing signs of a dry end to winter. Although dry in condition steers are showing plenty of frame for potential weight gains. Please note 1 Steer showing small scar in one eye.
