Handled With	Bikes , Dogs , On foot , Vehicles			
Assessor Comments	On offer is a nice line of Black Baldy heifers off Strathvale. Heifers were weighed into a tight weight bracket at assessment from 306-346kg. Vendors select the high indexing sires from Reiland. These heifers are great to handle which is one of the main criteria's at Strathvale.Cold country heifers that a really just starting to hit their straps. A small tail was removed at assessment. Please see vendors line of 26 Angus in same sale to make a deck load up. Please note cattle were assessed at Midday then photos were taken at 5:30 in the afternoon. Any questions please call myself.
