Assessor Comments Offering 25 predominantly Santa Gertrudis × Hereford cross heifers, averaging 345kg and EU accredited. A quality line of well-bred, productive females, not station mated and offering flexibility for either backgrounding/feeding on or joining. Widden Stud has followed this breeding program since its inception in the early settlement days, with a long-standing focus on producing cattle with sound genetics, constitution and performance. A genuine opportunity to secure a consistent line of well-bred heifers with the versatility to suit a range of production systems.
