| Quiet: 28 head<br>Slightly Stirry: 2 head | Quiet: 26 head<br>Slightly Stirry: 4 head | Quiet: 30 head |

Cattle are handled regularly and are moved easily from paddocks.Very quiet in the paddocks and will all come up to you in a vehicle or bike. In the yards the cattle move swiftly and respond to moving around and pushing into the race. The odd Heifer will push rapidly through the race and only a few will be slightly agitated in the crush under pressure..I class their temperament as good.
