	A great deal of work has gone into making these girls as quiet as they are today. The cattle were subjected to a wall of fire and the mayhem that followed during the Longwood bushfires in January. Pleasure to handle.

Assessor Comments	Superb line of future breeder Angus heifers that impress at every angle. Purchased as one line in Wangaratta's bushfire crisis sale in February. Bred by the Cumming family, Gobur they were to be retained in the herd. Cattle have performed exceptionally well and great effort has gone into making these cattle quiet to handle. With the industry on the cusp of a herd rebuild be ahead of the curve and secure quality females at affordable rates.
