Assessor Comments

T&S Pastoral have an outstanding reputation for breeding high performance livestock. These steers are a result of large

frame, impeccably bred Friesian Cows AI'd to the ABS In Focus Bull. The cattle exhibit plenty of frame without carrying excess weight, the perfect article to purchase with a history of noted conversion and doing ability. As a reference, their brothers on feed have exhibiting gains of 2.1kg per day. Expect these steers to perform in the same way given the right feed and management conditions. The cattle are quiet and easy to manage. Buy with confidence. Please note there are 2 steers with white socks. 1 steer broken white on coat.
