Assessor Comments	Buyers, this is an exceptional line of vendor-bred, predominantly Angus and Angus/Hereford-cross steers, presenting in store to forward-store condition. These steers are typically retained through to feeder weights for the Angus market and are only being offered due to dry seasonal conditions. These steers show great shape and bone and will steam ahead on good feed. They are bred from medium- to large-frame Angus and Angus/Hereford cows, with a small percentage showing slight cross. Buyers, please note that approximately 10 steers show slight blue-eye scarring; however, this is not considered detrimental. Please also note that this vendor has one other lot in this sale.sale.
