Assessor Comments	A good line of young Angus, Angus cross and Charolais Cross heifers. Heifers purchased Tamworth, Northern NSW sales. Charolais heifers 1 brand, appears to be two brands in Angus heifers. Heifers are in store to good store condition. Opportunity for good compensatory weight gain on good feed. Heifers are well grown and show good bone and type. Purchased as young weaners and have had no bulls near them since purchase. Good heifers to take through to trade/export feeder weights. Note: vendor has another lot this sale.
