Assessor Comments	A good line of Santa and Santa cross heifers. Majority 1 brand purchased Mitchell districts as young weaners. As mentioned in assessment purchased as santa heifers but some minor cross from way back. Heifers are well grown and in good store to forward condition. Excellent temperament. Heifers have had limited time on oats crop and now on Buffel paddock that has had no stock in it since March. Vendor says no bulls have been near heifers since purchase. Heifers that would suit to take through to trade/export feeder weights or keep as future breeders. Note vendor has another lot this sale.
