Assessor Comments	Buyers on offer is a top quality line of Gilmandyke blood vendor bred heifers. Kinross Wolaroi School has been using Gilmandyke Angus genetics for the past 8 years. Here is an opportunity to purchase a quality line of well grown yearling heifers showing great length and depth of body that would be ideal to add to any breeding program with great feedback from past purchasers. These heifers present in forward store condition as they have been running on an oat crop. There has been no opportunity for these heifers to be anywhere near a bull so ideal to purchase and join to the bull of your choice.
