Assessor Comments	A great opportunity to purchase a run of one mark vendor bred weaner steers. Very good cold country genetics and are proven performers, they are showing a good sized frame and seem to be doing very well under current climate, they will continue on and hit your feeder/export markets with ease given opportunity. Please note buyers sisters are in the same sale and there is a steer with old pink eye scarring in one eye, also a small amount of ringworm around a couple of eyes not deemed detrimental. One steer sighted with white belly.
