Assessor Comments	A very good opportunity to buy a line of one mark vendor bred cold country weaners with excellent breeding behind them. A very even run of heifers which are thriving under current conditions ,no doubt will keep packing KGs on given the opportunity and will hit trade/export markets with ease. Please note buyers brothers are in the same sale and there is a heifer with old pink eye scarring in one eye, not deemed detrimental. Also one heifer has a white udder and some of the heifers are showing signs of ringworm around the eye.
