Assessor Comments

Buyers on offer today is the lead bdouble of well-bred Angus females that are well grown and ready to perform given any enterprise you throw at them. The Top 76 are all weighed out 405kg and better. They are mainly bred from a herd of large frame Thompsons Blood females that are renowned for growth and structure. The balance of these heifers was purchased out of Glen Innes in march. These heifers would ideally suit a Wagyu program or be joined back to the bull of your choice. Please call for any more info. Note 2nd draft also in todays sale 80 head that averaged 380kg at assessment.
