Assessor Comments	Wonderful opportunity to put together a large line of 324 one mark breeders steers that were all weighed between 280-350 kg curfewed to be sold as 3 even runs out the gate. Steers look a picture are very even and still have plenty of room for weight gain to make a feeder later in spring. The Yammatee cattle have a great reputation with many feedlots throughout the Eastern states and I have had good feed back regularly about their performance in feedlots. Please note there is another 285 heavier steers in today's sale.
