	Very quiet cattle to handle. Well weaned and trained.			
Assessor Comments	This is the annual sale of the Touchstone Spring Drop Banquet Blood Heifer Weaners. These Heifers are some of the quietest cattle I handle and would suit anyone looking for quiet cattle to put in the paddock. They are a true September/October 2025 Drop and are in forward condition. These Heifers have been doing over 1kg weight gain since last weighing and are ready to explode on good feed and with spring feed growing these cattle will do well going forward. These Heifers certainly have the breeding behind them to grow. The feedback from past purchasers certainly proves this. Ideal to join later to the Bull of your choice or background for a feedlot or grass finisher.
