Assessor Comments	A very nice line of Angus Heifers being offered off "Audley" Branhholme. These Heifers were purchased out of the Hamilton January Weaner Sale this year from noted Western District Herds. They have all been weighed full from 440kg and up to give purchasers a very tight weight band. They would be ideal to finish for a Grass Program or to Feedlot or alternatively join to the Bull of your choice. They are exceptionally quiet Heifers to handle through the yards and crush.
