Assessor Comments

36 Very Good Angus Cross steers that are presenting in forward condition. All the hard work has been done with these steers as they have been very well educated and tailed over the last week. These steers have been paddocked and have been on green feed since weaning. This line of number 6 steers are very quiet to handle in the paddock and yard and will continue to go forward for the successful buyer. Please note the vendor has another lot in the sale and can deliver to Blackall sale yards or equivalent.
