Assessor Comments	Buyers a good opportunity to secure a 2 deck line of store condition vendor bred, black EU accredited steers .Steers are out of Medium to large framed Black Simmental, Ultrablack and Angus cross cows sired by high priced Woonalee ,Valley Creek, Fairview Black Simmental, Lawson Angus & Gidyea Ultrablack bulls .Steers present in store condition due drought conditions leading to early weaning and a very dry year. . They are starting to pick up after recent rains but still offer good compensatory gains with all of the frame and no weight,Majority show good bone and structure and would ideally be suited to put on crop or pasture to take through to the lucrative HQB EU slaughter or 100 day feeder market. They suit all Pasture fed markets with no hgp, grain or antibiotics. Please note 2 steers have old blight scarring in one eye and several showing signs of lice rub marks. Vendor has 2 deck of colored brothers and 1 deck of sisters this sale.
