Assessor Comments

Buyers a very even line of 126 USDA/NOP Organic certified & never ever certified Angus backgrounding steers that are showing great weight for age and reaping the rewards of a great season. Steers present as good medium to large frame for age & weigh from 330 to 430kg at assessment with a full curfew. This line of angus steers were 100% weighed at assessment with a 40 of the heaver weighted steers mouthed with only 1 x 2 tooths found the balance all milk teeth. At assessment 7 x head seen with slight blue eye, 1 x head with some ring worm around head but very minimal & 7 x head with a splash of white on under belly behind pizzle. Buyers this a great run of Angus steers that will perform very well on crop, grass or grain.
