Assessor Comments: Opportunity knocks - anybody can buy the pretty ones, there is an opportunity to prosper with these mixed sex backgrounders (9 mickey and 3 heifers). They have been faithfully weaned and handled and are up and running on a hay and dried distiller's grain mix. With a wet season approaching these cattle should thrive with further nutrition and a bit of TLC. A reminder that the Vendor will deliver local if you have enough room to accommodate a body truck or link up with 3 other lots from this vendor in this sale and take advantage of the longer freight offered.
