Assessor Comments	Presenting 202 Xbred and Brahman cross well educated, store conditioned, growthy steers that weighed 193-307kg to avg 226kg curfewed at assessment. This line of steers were predominately bred on Millungera station with approximately 20% of more Brahman & Ultra Black types being bred at Miranda station, please see breed break up for full breed description. These steers have been very well educated and are great to handle through the yards & in the paddock. An opportunity to purchase store condition steers that will really perform on fresh feed. Please note that the vendor has also selling 206 Charolais/Charbray steers in the same sale.
