Assessor Comments	Buyers a very even line of 84 USDA/NOP Organic certified & never ever certified Angus backgrounding steers that are showing great weight for age and reaping the rewards of a great season. Steers present as good medium to large frame for age & weight from 310 to 430kg at assessment with a full curfew. This line of angus steers were 100% weighed at assessment with 28 of the heavier weighted steers being mouthed with only 1 x 2 tooth found the balance all milk teeth. At assessment 3 x head seen with slight blue eye, 2 x head with some ring worm around head but very minimal & 4 x head with a splash of white on under belly behind or on pizzle. Buyers this a great run of Angus steers that will perform very well on crop, grass or grain.
