| Assessor Comments | Buyers a VGQ line of 76 USDA/NOP Organic certified & never ever certified Brangus & Angus X feeder steers that are showing great weight for age and reaping the rewards of a great season. Steers present as good medium to large frame for age & weigh from 330 to 480kg at assessment with a full curfew. This line of angus steers were 100% weighed at assessment with a 30 of the heaver weighted steers mouthed with only 3 x 2 tooths found the balance all milk teeth. At assessment 3 x head seen with slight blue eye, 2 x head with some warts on face but very minimal. Buyers this a great run of Brangus & Angus X steers that will perform very well on crop, grass or grain. |
