Assessor Comments: 74 Quality Angus & Ultrablack cross PTE heifers that present freshened from recent rain in the local area. The heifers in the lot display many of the desired attributes that would see them grow into quality replacement breeders or background them to heavier weights to sell into a number of domestic markets. The Moyallen cattle are known for their market suitability as well as weight gain performance. These are the type of heifers you can buy with confidence knowing all the hard work is done. The vendor is happy to hold these heifers for a few extra days to marry up with load/trucks if need be.
