Assessor Comments	A small but nice line of vendor bred heifers. Sired by top quality Sires purchased from Morrisvale & Raven Limousin studs. Heifers are bred out of registered Limousin females and are surplus to the vendors requirements. Heifers are starting to improve with a change in the season and should continue to do well given the right opportunity. Vendor PG these heifers as a management practice to ensure the purchaser has empty heifers to grown out and fatten or alternatively join. Heifers are generally true to type for the breed. 21 head are black other 3 apricot in colour
