Assessor Comments Buyers, here is an exceptional well bred line of EU Angus steers that have a tremendous reputation averaging 314kg. Steers have good length of body with good bone, depth and spring of rib. Steers are very soft smooth easy doing types showing nice breed characteristics with room to keep filling out. These steers are breed out of medium to large frame MRH Angus cows selected for growth, marbling & phenotype. Steers are sired by Millah Murrah, Ben Nevis, Knowla & Trio stud Angus sires. Steers were extremely quiet to handle through the yards. MRH cattle are highly sought after for their performance on grass and grain, being sold to repeat buyers. Steers are antibiotic free and grass only eligible. Note 3 steers have small white spot on under line. One steer has small old dot of blight scaring but not detrimental.
