	Heifers generally good the odd one that became agitated when put in the scale settled quickly once back in the mob		
Handled With	Bikes , On foot , Vehicles		

Assessor Comments	The heifers were selected to be future Breeders , circumstances have changed and they are now being offered for sale. They would suit a breeder or a feeder. They are good to handle and are going forward. One Heifer has slight clouding in one eye but it is not detrimental. Several have a light spattering of warts but of no consequence.
