Assessor Comments	Offered on account of Jigsaw Farms is a quality line of Angus backgrounder heifers, August/September 2025 drop, Barwidgee blood. These heifers present in forward store condition, exhibiting excellent weight for age and plenty of frame for continued growth. Cattle of this breeding have performed exceptionally well on feed in previous years. Extremely quiet and docile cattle to handle, with all heifers well accustomed to working dogs. An excellent opportunity to secure a quality line of Angus heifers with the versatility to grow out to feeder or kill weights, or alternatively be retained as future breeders.
