Assessor Comments	Offered on account of Jigsaw Farms is a quality line of Angus backgrounder steers, August/September 2025 drop, Barwidgee bloodlines. These steers present in forward store condition, exhibiting excellent weight for age and plenty of frame for continued growth. Cattle of this breeding have performed exceptionally well on feed in previous years. Extremely quiet and docile cattle to handle, with all steers well accustomed to working dogs. An excellent opportunity to secure a quality line of Angus steers with proven feeding performance and plenty of potential to go forward.
