Assessor Comments: Buyers an outstanding line of 94 organic certified Santa backgrounder steers that present in good strong store condition. These steers are very well bred with large frames, big bone & plenty of depth evident in the cattle. As mentioned in comments earlier this line of steers are very quiet to handle in the yards having been drafted by children. Would expect buyer to see good compensatory gain given the opportunity to fresh feed or grain as present in store condition with good frame. Steers have been bred by Rosevale Santa bulls with top quality bulls purchased each year. Buyer's please note delivery dates and that steers won't be available for pick up prior to the 18/11/26.
