	Quiet: 17 head	Quiet: 17 head	Temperament not assessed in Paddock

These heifers were good to handle in all parts of yards and crush. They flowed well through the yards and crush. These heifers were a pleasure to handle and it is expected they will settle in their new environment well.

Handled With	Bikes , Dogs
Assessor Comments	Buyers here is a opportunity to purchase a line of 17 good quality Angus x heifers. These heifers would be ideally suited to backgrounders looking for heifers to put away to background for the domestic or export feeder market. They would also suit restockers looking for future breeders. These heifers are powering ahead since the recent rain with the green feed in front of them and i would expect will keep going ahead for the purchaser.
