Assessor Comments	Buyers on offer is exceptional line of vendor-bred Angus and Angus-Cross Steers presenting in store condition. They are notable performers and will perform very well on good feed, making them ideally suited to any backgrounding operation or feeding program. These steers are very soft, smooth and easy doing types showing nice breed characteristics with room to keep filling out. This even line, predominantly Angus steers, are out of Angus cows by stud quality Burenda and Jen-Daview Angus bulls with a small percentage showing slight cross. Please see photos and videos for breed satisfaction.
