Steers flowed well through the yards and race with majority stirring slightly while being weighed, however settled quickly

	once released back into the mob. Vendor has done a good job of educating these steers.
Handled With	Bikes , Dogs
Assessor Comments	A tidy line of Ultrablack steers that display good length and bone for age. Steers have been held over winter months on wintered pastures and Nutramix lick so offer any potential buyers plenty of compensatory gains. Steers are just starting to clean up in the coat and should thrive given the chance on better feed. **Note: Vendor has another lot of steers in this sale
