Assessor Comments	A Great opportunity to secure a very even line of well bred New England Angus and Angus cross heifers. These young females present in great condition and have grown out well since there purchase earlier this year showing the great constitution from their breeding background, being purchased out of the premium weaner sales of the local region. Heifers are great articles to continue on backgrounding with for the feeder market or finish on bins for the domestic trade when heavier, Heifers are also showing all the attributes to grow into lovely females to join also. The grass is jumping out of the ground, don't miss out on the opportunity of buying this perfect line of 30 Quality yearling heifers.
