Temperament

Yards	Crush	Paddock
Quiet: 60 head Slightly Stirry: 8 head	Quiet: 62 head Slightly Stirry: 6 head	Quiet: 68 head

Steers were good to handle in the yards, they worked well through the yards and crush. There were no signs of aggression from any of the steers although the odd one stirred up when put under pressure or was separated from his mates. Steers were good to handle and inspect in the paddock prior to assessment in the yards.

Handled With Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , Vehicles

Assessor Comments A good line of mostly medium framed vendor bred brahman backgrounder steers. Steers have been running in light desert upland spinifex country with some areas of pulled improved country, so expect to see very good weight gains on better feed. Noticed at assessment 1 steer with no tail brush, 2 steers with proud purse possibly have a ball and some minor fly bite on several steers. Steers will suit feedlot backgrounders or grass fatteners, we have received positive feedback from previous buyers in the Charleville and Moura districts who were pleased with there results. PLEASE NOTE: Vendor has another line of 154 Brahman backgrounder steers available in this weeks sale. NOTE: Please disregard black flatback steer that may be in some photos or video. He is not included in sale offering.
