Temperament

Yards	Crush	Paddock
Docile: 150 head Quiet: 5 head Slightly Stirry: 3 head	Docile: 3 head Quiet: 140 head Slightly Stirry: 15 head	Temperament not assessed in Paddock

These steers have been exceptionally well handled and flow confidently through the yards and crush system. Extensive low-stress stock handling practices have been implemented throughout their management and weaning, resulting in a very quiet and well-mannered line of cattle. Only a very small number of head showed any signs of agitation in the crush, with the vast majority remaining quiet and settled both entering and exiting.

Handled With: Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , Horses , On foot , Vehicles

Notable Traits

	Traits
9 Head	Black- White Fleck
3 Head	Brahman
13 Head	Brindles
5 Head	Lice/Fly Irritation/lesions

Assessor Comments: A quality line of EU and PCAS eligible No. 6 branded Brangus cross steers, presenting in store to forward store condition with plenty of growth and performance ahead. These steers offer strong genetics, good frame and excellent temperament, making them a genuine opportunity for buyers looking for cattle to continue through to heavier weights. The steers have been extensively handled under low-stress stock handling practices and are exceptionally quiet and well-mannered through the yards and crush system. The vast majority remained settled in and out of the crush, with only a very small number showing any agitation. This is a credit to the vendor and the handling and weaning program these cattle have been subjected to. Presenting in forward store condition, these steers offer buyers plenty of opportunity to add weight and continue their development. With good genetics and plenty of growth ahead, they should respond well to continued feeding and management.
