Assessor Comments: Buyers, here is a chance to secure a quality line of predominantly vendor bred steers with a strong shorthorn base. These steers average 383kg showing good bone and depth. Steers present in forward/store condition with room to continue growing. This line of steers were fantastic to handle through the yards. This quality 2 deck line would suit any operation to go further on with. Please note 1 Steer with slight wart growth and 3 steers with old blue eye scarring all pictured in media.
