Temperament	

Yards	Crush	Paddock
Quiet: 65 head Slightly Stirry: 16 head	Quiet: 71 head Slightly Stirry: 10 head	Temperament not assessed in Paddock

Heifers worked well through yards at assessment. Small % of heifers became unsettled when confined in crush but were quick to resettle once released back into mob. % of heifers would rush through gateways but could easily be blocked. Were settled for photos and videos.

Handled With	Bikes , Dogs , Horses
Assessor Comments	81 vendor bred Charolais x & Angus x heifers presenting in store condition with an estimated average delivery weight 185.1kg. Buyers here is a good opportunity to purchase a line of heifers that are offering good compensatory weight gains and with the recent change in season are really on the do. A % of heifers were noted to have light to medium ringworm infection around head and neck area. Please note same vendor has brother lot in same sale.
Assessor	**Ben Johnston (Level 1 Accredited)** Phone: 0455 964 487 Parallel Assessed By : Ashton Collins
