Steers worked well through yards at assessment. Small % of steers became unsettled when confined in crush but were quick to resettle once released back into mob. Were settled for photos and videos.

Handled With: Bikes , Dogs , Horses

Assessor Comments: 85 vendor bred Charolais x & Angus x steers presenting in store condition with an estimated average delivery weight 182.8kg. Buyers here is a good opportunity to purchase a line of steers that are offering good compensatory weight gains and with the recent change in season are really on the do. A % of steers were noted to have light to medium ringworm infection around head and neck area. In the past a % steers from Bryant Family grazing have been accepted into a 75% Angus feeder market. Please note same vendor has sister lot in same sale.
