Assessor Comments	A very good quality line of angus feeders steers that are primed for the feedlot. The vendor bred steers have been bred from a quality line of big framed Hazeldean, Ben Nevis and Baringa Angus cows and sired by Hazeldean and Narin Park Angus bulls. Steers are deep sided thick bodies that will accommodate a short or long fed program. Steers show great weight for or age at 15 -16 months old as vendor has not let these steers miss a beat. Steers now present in great forward condition and are primed to continue forward once hitting the bunks, Steers have been also been pre treated with bovilis MH + IBR to be feedlot ready. Steers will be offered Cents per kilo weighed at the Betts transport Walcha weighbridge full less 5%. A great opportunity to buy a line of feeders steers that will steam ahead in the feedlot environment.
